

CHILD PROTECTION TRAINING MATERIAL

Many churches and ministries have training in place for those who work with children and youth. Child protection training materials are also available from the IMB and can be accessed through the links listed below. Each person should participate in their church's training or review the materials provided by the IMB.

WATCH THE [TRAINING VIDEO](#). A VIDEO FOR DEAF PARTICIPANTS IS [HERE](#).

THE VIDEO INCLUDES:

- a. The problem of child sexual abuse
- b. Critical components to reduce the risk of child abuse
- c. Signs of sexual abuse
